

Safety Net Sign-up Form

Central Virginia Electric Cooperative

If you would like to be notified in the event the electricity of someone you care for is subject to disconnection or your tenant's power is subject to disconnection, CVEC has a SafetyNet Program. The Safety Net Program would permit you to be notified in the event your loved one or tenant's power is about to be turned off. The permission of both the CVEC member and the person who would be notified is necessary. A duplicate electric bill with the disconnect notice will be received by the third party at the same time as the CVEC member.

Please fill out the form below and return it to CVEC with the proper signatures. If you have any questions, call CVEC today at 800-367-2382.

The parties below wish to participate in CVEC's **SafetyNet Program**. "Persons to be Notified" will be contacted in the event the electricity in the name of "CVEC Member" is subject to disconnection for nonpayment. By signing, both parties agree to participate. **BOTH PARTIES MUST SIGN!**
